

# World Vision Academy English Course

## Curriculum Overview

<b>ELL</b> <b>(GR. 2 - GR. 10)</b>	This program focuses on expanding vocabulary, learning grammatical rules, enhancing fluency, and improving conversation skills. The class activities include debates, forums, media studies (news articles, videos, talk shows, and interviews), oral presentations, problem solving activities, and more. Students will work together to converse and share ideas. The teachers of the ELL program are certified and experienced and will encourage students to develop their English writing and speaking skills. Students will see a drastic improvement in their vocabulary and feel more confident in school.
<b>Reading &amp; Writing</b> <b>(GR.3- GR. 8)</b>	The courses include novel reading, comprehension, creative writing, academic writing, vocabulary practice, and grammar practice. Whether you are struggling to keep up in English class or want to get ahead of the novel study in a higher grade, this course will prepare you to feel confident and ready for the school year.
<b>Academic Writing</b> <b>(GR. 9 - GR. 12)</b>	We teach methods to analyze various types of literature, writing skills that show various rhetorical expressions, and also ways to write logically. If a student is aiming for advanced writing skills and to materialize a perfect structure for essays, this class will be suitable.
<b>University Prep. Course</b> <b>(GR. 12)</b>	This course is an introduction to the core concepts in the humanities designed to acquaint students to critically ‘think’ using a multi-disciplinary approach. This is a reading and writing intensive course where students can apply their skills learned across various disciplines to succeed at university.
<b>IELTS/TOFEL</b> <b>(GR. 9 - GR. 11)</b>	This course is designed for advanced level students who are preparing for an official IELTS/TOFEL test. Students can expect to receive individual attention and personalized study advice from the instructor to focus on the areas for improvement. The IELTS/TOFEL test preparation course gives students all the tools necessary to succeed in the exam.
